

New York City Pharmacies Participating in the NYC Emergency Overdose Rescue Kit Program

The NYC Department of Health has partnered with select CVS and Walgreens pharmacies across the City to make **FREE** Overdose Rescue Kits available to any individual who requests one. This is a list of participating pharmacy locations organized by borough and neighborhood.

- When requesting a kit, ask the pharmacist for a FREE “*Emergency Overdose Rescue Kit*”
- Anyone can get a kit
- No ID or insurance is required
