**RE: CPEP RATE CODE 4010 DISCONTINUED | NYSOMH
MAINSTREAM MEDICAID MANAGED CARE PLANS (MMCPs), HARP,
HIV- SNP, AND MAP**

SUMMARY

OMH has released a reminder regarding the Comprehensive Psychiatric Emergency Program (CPEP) rate code.

Effective 7/1/2023, the Comprehensive Psychiatric Emergency Program (CPEP) rate code 4010 for Crisis Outreach is retiring.

The CPEP guidance **now consolidates Crisis Outreach and Interim Crisis under rate code 4009. There is no financial impact on this change.**

For dates of service 7/1/2023 and thereafter, please submit claims with the correct rate code to prevent future denials.
