

2024 Member Rewards Program

Frequently Asked Questions

1. **I am a current rewards member. What do I do?**

If you earned rewards for **2023**, you should have already received a CVS Select card for rewards earned through September 30. If you earned rewards in October, November and December of 2023, you will be receiving another card soon.

For rewards earned in **2024**, we have exciting news!

A new and improved rewards program will be launching in March. You will receive more information on how to register through your member portal, but until then, keep up with your healthy activities. If you have not already, click [here](#) to register for the member portal.

2. **I am not yet a rewards member. What do I do?**

Register for our Rewards Program and start earning rewards for completing healthy activities! A PCP visit, a flu shot, etc., can earn you rewards that can be redeemed using a card to shop at select retailers in your neighborhood. The new Rewards Program is launching in March. Get ready to earn rewards. Click [here](#) to register for the member portal. And stay tuned for more information on how to register for the new rewards program.
