Important Information

Welcome to MetroPlusHealth Essential Plan. We are pleased that you chose MetroPlusHealth for your health plan. Please read the information below. It will help you choose a Primary Care Provider for you and your family if you have not done so already. It will also give you other important information.

Your Primary Care Provider

When you join MetroPlusHealth, you choose a MetroPlusHealth participating physician or nurse practitioner to be your Primary Care Provider (PCP). We have many PCPs in our network. Your PCP will take care of your health care needs and refer you to other health care providers if you need them.

How to Choose Your Primary Care Provider

If you already have a PCP who is a MetroPlusHealth provider, you can continue to see that provider. If you don’t have a PCP who currently participates with our Essential Plan, you can select a new provider from this Provider Directory, or you can recommend your current provider by calling MetroPlusHealth. We will contact them to see if they would like to join our network.

You can find a PCP who speaks your language, is associated with a particular hospital or facility, has an office in or near a particular ZIP code that is convenient to you and that is wheelchair accessible. There are times when a PCP may close their panel. This is noted in the directory. On certain occasions these PCPs open their panels. If you wish to verify that the PCP’s panel is still closed, please contact our Member Services department at 855.809.4073 (TTY: 711).

You can also use the MetroPlusHealth website, metroplus.org, to find a PCP. On the website, go to the “Find a Doctor” button, and then search for a PCP who meets your needs, speaks your language, is associated with a particular hospital/facility, has an office in or near a particular ZIP code that is convenient to you and that is wheelchair accessible.

Once you choose a PCP, call MetroPlusHealth Member Services at 855.809.4073 (TTY: 711), Monday to Friday, 8am - 8pm, or Saturday, 9am - 5pm, and make sure the provider is taking new patients. This will ensure that you can have the PCP you want.
How to Use This Directory

This directory includes providers only in New York County (Manhattan). If you would like a provider/pharmacy directory from another participating county, please visit our website at metroplus.org, or call 855.809.4073 (TTY: 711).

PCPs are listed in alphabetical order by borough, by specialty (Adult Health Care, Family Practice, Internal Medicine), by ZIP code. To help you choose a PCP, each provider listing offers the following information:

Specialists, including Obstetricians (OB) and Gynecologists (GYN), are listed in alphabetical order by specialty, by ZIP code. If a Provider practices more than one specialty (for example, Internal Medicine and Dermatology) they will be listed under each specialty.

Dentists are listed by borough, by specialty, by ZIP code. (For children under age 19 or Members age 19+ with Dental Coverage.)

Behavioral Health providers, including Alcohol and Substance Abuse Counseling, are listed by borough, by specialty, by ZIP code. Behavioral Health Organizations are listed by ZIP code within each borough.

Following Behavioral Health, other providers, such as Laboratory and Vision Care Services (for members with Vision Coverage), are listed alphabetically by provider type.
Hospitals and Federally Qualified Health Centers are listed by borough in the front of the Directory.

An alphabetical listing of all MetroPlusHealth Participating Providers is included at the back of the Directory. If you cannot find your provider in this Directory, please call Member Services to see if we have recently added him/her in our network.

Getting Your Prescriptions

MetroPlusHealth members can fill their prescriptions and get certain medical supplies from any pharmacy in the MetroPlusHealth network.

To find a convenient MetroPlusHealth participating pharmacy, go to metroplus.org (select “Find a Doctor,” and then search for a pharmacy that meets your needs). Or, call MetroPlusHealth Member Services at 800.303.9626 (TTY: 711), Monday to Friday, 8am - 8pm, or Saturday, 9am - 5pm.

For Maintenance Drugs, we have a mail order option which provides 90 days of medication delivered to your door.

MetroPlusHealth After Hours Service Line: 855.809.4073 (TTY: 711), if you need help during the night or on weekends

MetroPlusHealth Utilization Review: For review of a MetroPlusHealth decision that treatment is not medically necessary. There are some treatments and services that you need to get approval for before you receive them, or in order to be able to continue receiving them. This is called prior authorization. To get approval for these treatments or services you need to call: MetroPlusHealth Member Services: 855.809.4073 (TTY: 711), Monday through Friday, 8:30am - 5pm (Fax: 212.908.8521)

A Member Services Representative will answer any questions you have about the process and will transfer your call to the Utilization Review (UR) department, if needed. Utilization review is what we do to decide whether treatment is medically necessary and will be approved or paid for by MetroPlus Health Plan. Doctors and nurses make the decision. They do this by checking your treatment plan against medically acceptable standards. Our UR staff is available Monday through Friday from 8:30am - 5:00pm. We have a 24-Hour Health Care Hotline (855.809.4073) if you need assistance with a medical problem. UR staff will respond to your message on the next business day.
You or your doctor may also submit a service authorization request in writing by sending it to:

Making Appointments

Appointments to See Your PCP

After choosing your PCP, call and make an appointment for a check-up right away. This will give your PCP the opportunity to learn about you and your health care needs. To make an appointment with your PCP, call the number listed in the Provider Directory or on your MetroPlusHealth Member ID Card. If you need help making an appointment to see your PCP, call MetroPlusHealth Member Services at 855.809.4073 (TTY: 711). If you cannot keep your appointment, please call your PCP to cancel or reschedule the appointment.

Appointments to See an Obstetrician (OB) and Gynecologist (GYN)

You do not need a referral from your PCP to make an appointment with an obstetrician (OB) and gynecologist (GYN). You can choose any OB/GYN provider in this Directory. If your provider is not listed in the Directory, call MetroPlusHealth Member Services at 855.809.4073 (TTY: 711). We may have added that provider to the network.

Pregnant women can choose a Certified Nurse Midwife (CNM) or a Licensed Midwife (LM) in our network. A midwife has training in obstetrics and gynecology and can provide routine services and deliver a baby.

Appointments to See a Specialist

If you need to see a specialist, your PCP will refer you to one. You must see your PCP before making an appointment with a specialist.
Your PCP can approve referrals to Participating Providers for:

- Specialty care
- Laboratory services
- Transportation (nonpublic)
- Mental Health or Substance Abuse outpatient services

There are other participating providers that your PCP can refer you for, but you must first get an approval from MetroPlusHealth.
**Appointment Availability Schedule**

MetroPlusHealth has appointment availability standards. This means that you should be able to receive medical care within a specified time period. These timeframes ensure that you receive medical care when you need it.

If you cannot make an appointment within the timeframes listed, call MetroPlusHealth Member Services at **855.809.4073 (TTY: 711)**.
