WHEN DOES COVERAGE START?

If you sign up before your Medicare starts (the 1st day of your birthday month), coverage begins the same day your Medicare starts. If you sign up after your Medicare starts, coverage begins the first day of the month after you sign up.

WHAT DO I NEED TO JOIN THE METROPLUS ADVANTAGE PLAN (HMO D-SNP)?

You must have Medicare Part A and Medicare Part B first. Part A covers hospital care, and Part B covers basic medical needs like doctor visits. Eligibility for Medicaid or Medicare cost-sharing assistance under Medicaid requires that you must live in New York City.

CAN I STILL SEE MY SAME DOCTORS?

Most doctors and specialists you've been seeing on your current MetroPlusHealth plan will accept your MetroPlus Medicare Plan. If you need to switch providers, or find a specialist, go to the member portal and search by specialty and location to find a doctor near you.
