Before making an enrollment decision, it is important that you fully understand our benefits and rules. The items below must be reviewed before an enrollment is completed. If you have any questions, call our Help Line at **866.986.0356** (TTY: 711), Monday to Friday, 8am to 8pm, and Saturday, 9am to 5pm. After-hours answering service: 800.442.2560

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **metroplusmedicare.org**, or please contact our Member Services number at **866.986.0356** (TTY: 711), Monday to Friday, 8am to 8pm, and Saturday, 9am to 5pm, or for after-hours answering service at 800.442.2560, to view a copy of the EOC. This call is free.
- Review the provider directory (or ask your doctor) to make sure your current providers (primary care and specialists) are in the network. If they are not listed, it means you will likely have to select a new provider.
- Are there any other preferred facilities that need to be in-network? If yes, please explain:

- Is your hospital in-network? If it is not in network, you will need to pick a new hospital in network.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for the beneficiary prescriptions.
- Understand that the Medicare Prescription Payment Plan program information will be sent to you and will be included with your member ID card mailing upon enrollment.
- Did you review the formulary to make sure your drugs are covered? If not, you may need to pay the full cost of those prescriptions.
- Do you have any other health care needs, such as needing durable medical equipment, physical therapy? If yes, please explain:

Understanding Important Rules as follows:

- In addition to your monthly plan premium, if a plan premium applies to you (in some of our plans, members pay a \$0 premium), you must continue to pay your Medicare Part B premium. This premium is normally taken out of the beneficiary Social Security check each month.
- Except for emergency situations, urgent care situations, or certain state/federal mandates, we generally do not cover services performed by out-of-network providers (providers that are not listed in our provider directory).
- If you are enrolling into one of our Dual Eligible Special Needs plans — either MetroPlus Advantage Plan (HMO D-SNP) or MetroPlus UltraCare (HMO D-SNP) — your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. If you are enrolling in our MetroPlus Platinum Plan (HMO), your ability to enroll will be based only on verification that you are entitled to Medicare.
- Effect on Current Coverage. You understand that you can be enrolled in only one MA plan at a time - and that enrollment in this plan will automatically end your enrollment in another MA plan (exceptions apply for MA PFFS, MA MSA plans). For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- Emergency care is covered both in the U.S. and worldwide (outside the U.S.). If you have an emergency outside of the U.S. and its territories, you will be responsible to pay for those services upfront and request appropriate reimbursement from us for covered, medically necessary emergency services.
- Plans operate on a calendar year, meaning that benefits, premiums, and/or copayments/coinsurance may change as of January 1st of each year.
- Dental, vision, and hearing benefits are subject to plan limitations and are to be discussed during review of the Summary of Benefits.
- You have the right to cancel this enrollment prior to effective date of becoming a member by contacting MetroPlusHealth at **866.986.0356** (TTY: 711) Monday to Friday, 8am to 8pm, and Saturday, 9am to 5pm.
