RE: ALL BEHAVIORAL HEALTH PROVIDERS

Mandated Rate Update: ACT Reimbursement and Billing Changes

IMPACTED PLANS: Medicaid, HIV SNP, MAP and HARP

Dear MetroPlusHealth Provider,

Effective 10/01/2023 (Retroactive), OMH has released guidance to provide an overview of the billing, reimbursement and rate changes for ACT services.

I. ACT Reimbursement and Billing Changes for Adults:

1. 100 Slot ACT will be established for adults
 - a. A new rate will be established for 100 Slot Adult ACT teams
2. The 36 Slot ACT teams will receive a rate increase

II. ACT Reimbursement and Billing Changes for Youth:

1. The following Youth ACT Slot changes are implemented:
 - a. 28 Slot ACT teams will be established for Youth
 - b. Current 36 Slot Youth ACT teams will be converted to 28 Slot ACT teams
 - c. Current 48 Slot Youth ACT teams will be converted to 36 Slot ACT teams
2. All Youth ACT providers receive adjusted rates retroactive for these converted slots.

Prospective Rate Code Changes for Youth ACT Teams

Effective January 1, 2025, new rate codes (4513-4515), procedure codes and modifier combinations for Youth ACT **only** will be utilized to differentiate Adult and Youth ACT programs and allow the State to collect better data on utilization of service.

Table 1: Updated Youth ACT Coding Taxonomy

Rate Code Description	Rate Code	Procedure Code	Modifier(s)	Unit Measure	Unit Limit/Day
Youth ACT Intensive Full Payment	4513	H0040	HA	6	Billed on a monthly basis.
Youth ACT Intensive Part Payment	4514	H0040	HA, U5	2-5	Report the number of
Youth ACT Inpatient	4515	H0040	HA, HK	2+	contacts during the month in the unit field.

NOTE: Adult and Youth ACT providers will now be required to report the actual number of units on the claim (previously only required to report 1 unit) to support the State’s monitoring of service utilization.
