

**TO: OASAS Comprehensive Outpatient Program (COP) Providers**

**RE: Status Update of Extension of Implementation of NYS OASAS COP Rate Codes**

**Impacted Plans: Mainstream Medicaid Managed Care Plans, Health and Recovery Plans (HARPs), HIV Special Needs Plans (HIV SNPs), and Medicaid Advantage Plus (MAP) Plans**

Dear MetroPlusHealth Provider,

The New York State Office of Addiction Services and Supports (OASAS) is extending the effective date for the new Comprehensive Outpatient Program (COP) rate codes (1036 and 1039) for providers and sites assigned these codes from **November 3, 2024, to January 6, 2025**.

If a COP provider chooses to use the APG rate codes or the COVID-bundled rate codes (i.e., rate codes 7969 - 7976) for dates of service (DOS) between August 1, 2024, and January 6, 2025, MetroPlusHealth will not require claim adjustments to switch to the COP rate codes retroactively.

**Note:** **Effective January 6, 2025**, the rate codes used by COP providers (1540, 1564, 1528, 1567) will be zeroed out prospectively.
