

Ophelia

Online opioid addiction treatment that saves lives

Ophelia is a comprehensive, virtual clinic that provides medication for opioid use disorder. Our mission is to make high-quality, evidence-based care affordable and accessible to all.

How to make a referral

1. Go to our secure referral form:
my.ophelia.com/referrals/metroplus

2. Enter patient details

Enter patient's name, date of birth, phone number, and the referral maker's contact info

Feel free to include any additional information like insurance coverage or schedule their intake appointment directly on the form

3. We take it from there!

Our team reaches out directly to conduct the intake, allowing the patient to start care quickly
