RE: Introducing the New CPT Lookup Tool in the MetroPlusHealth Provider Portal

Dear MetroPlusHealth Provider,

MetroPlusHealth is pleased to announce the launch of our new **CPT Lookup Tool**, now available through the Provider Portal. This self-service tool allows registered providers and office staff to quickly access authorization requirements and status information for procedure codes directly within the Provider Portal. By providing fast and convenient access to this information, the tool is designed to support more efficient workflows and streamline administrative processes.

[Find the NEW CPT Lookup Tool Here:](#)

Benefits of the CPT Lookup Tool include:

- ✓ Improved office efficiency and streamlined administrative processes
- ✓ Quick access to authorization requirements for procedure codes
- ✓ Ability to view authorization status information
- ✓ Enhanced provider self-service capabilities

Medicare Covered Auth Required Not covered if used for cosmetic purposes.	MLTC (Managed Long-Term Care) View MLTC authorization info

This new tool was introduced to improve the providers' experience and provide easier access to the information needed to support the care of MetroPlusHealth members. Providers can enter procedure codes and quickly view authorization requirements and status information through the Provider Portal.

We appreciate your continued partnership and commitment to providing gold standard care to our members. If you have any questions regarding this memo, please contact MetroPlusHealth at ProviderRelationsOps@metroplus.org.

Thank you,

MetroPlusHealth
