Re: Notice of Premium Rate Change
<Product Name and Health Insurance Oversight System (HIOS) identification number>

Dear <Name>:

MetroPlusHealth has received approval from the New York State Department of Financial Services (DFS) to change your premium rates for 2027. New York Insurance Law requires that we provide a notice to you 60 days in advance of a change to your premium rate. The new rate will go into effect on January 1, 2027.

Premium rate change (Rates do not reflect APTC or any subsidies you may receive)

Your current monthly premium is:	$<amount>
The 2027 monthly premium is:	$<amount>

Why we have changed our rates

We continually review the amounts we charge (our rates) versus the amounts we are required to spend to manage our members' health care needs. Though we do our best to keep our rates as reasonable as possible, rising health care costs, provider contracting costs to maintain a high-quality network, and higher prescription drugs costs are factors that require us to change our rates. You can find more information about our rate changes on our website and the DFS website.
